CLAIM INFORMATION

SHORT TERM DISABILITY

WHEN DO YOU NOTIFY UNUM OF A CLAIM?

We encourage you to notify us of your claim as soon as possible so that a claim decision can be made in a timely manner. Written notice of claim should be sent within 30 days after the date your disability begins. However, you must send Unum written proof of your claim no later than 90 days after your elimination period. If it is not possible to give proof within 90 days, it must be given as soon as is reasonably possible.

You must notify us immediately when you return to work in any capacity.

HOW DO YOU FILE PROOF OF CLAIM?

You and your Employer must fill out your own sections of the claim form and then give it to your attending physician. Your physician should fill out his or her section of the form and send it directly to Unum.

The form to use to submit your proof of claim is available from your Employer, or you can request the form from us. If you do not receive the form from Unum or your Employer within 15 days of your request, send Unum proof of claim without waiting for the form.

WHAT INFORMATION IS NEEDED AS PROOF OF YOUR CLAIM?

Proof of your claim, provided at your expense, must show:

- the date your disability began;
- the existence and cause of your sickness or injury;
- that your sickness or injury causes you to have limitations on your functioning and restrictions on your activities preventing you from performing the material and substantial duties of your regular occupation;
- that you are under the **regular care** of a **physician**;
- the name and address of any **hospital or institution** where you received treatment, including all attending physicians; and
- the appropriate documentation of your weekly earnings, any disability earnings, and any deductible sources of income.

In some cases, you will be required to give Unum authorization to obtain additional medical information and to provide non-medical information as part of your proof of claim, or proof of continuing disability. We may also require that you send us appropriate financial records, which may include income tax returns, which we believe are necessary to substantiate your income. We may request that you send periodic proof of your claim. This proof, provided at your expense, must be received within 45 days of a request by us. If it is not possible to give proof within 45 days, it must be given as soon as reasonably possible. Unum will deny your claim, or stop sending you payments, if the appropriate information is not submitted.

We may require you to be examined by a physician, other medical practitioner and/or vocational expert of our choice. Unum will pay for this examination. We can require an examination as often as it is reasonable to do so. We may also require

you to meet with and be interviewed by an authorized Unum Representative. Unum will deny your claim, or stop sending you payments, if you fail to comply with our requests.

TO WHOM WILL UNUM MAKE PAYMENTS?

Unum will make payments to you.

WHAT HAPPENS IF UNUM OVERPAYS YOUR CLAIM?

Unum has the right to recover any overpayments due to:

- fraud;
- any error Unum makes in processing a claim;
- disability earnings; or
- deductible sources of income.

You must reimburse us in full. We will determine the method by which the repayment is to be made which may include reducing or withholding future payments including the minimum weekly payment.

Unum will not recover more money than the amount we paid you.

Any unpaid premium due for your coverage under the policy may be recovered by us by offsetting against amounts otherwise payable to you under the policy, or by other legally permitted means.

GENERAL PROVISIONS

WHAT IS THE CERTIFICATE OF COVERAGE?

This certificate of coverage is a written statement prepared by Unum and may include attachments. It tells you:

- the coverage to which you are entitled;
- to whom Unum will make a payment; and
- the limitations, exclusions and requirements that apply within a plan.

Unum will provide your Employer with a certificate of coverage for delivery to each insured.

WHEN ARE YOU ELIGIBLE FOR COVERAGE?

If you are working for your Employer in an eligible group, the date you are eligible for coverage is the later of:

- the plan effective date; or
- the day after you complete your **waiting period**.

WHEN DOES YOUR COVERAGE BEGIN?

Your coverage will begin at 12:01 a.m. on the first of the month coincident with or next following the latest of:

- the date you are eligible for coverage;
- the date you apply for coverage; or
- the date Unum approves your application, if **evidence of insurability** is required.

WHEN CAN YOU APPLY FOR COVERAGE IF YOU DID NOT APPLY OR DECLINED WHEN YOU WERE FIRST ELIGIBLE FOR COVERAGE OR YOU VOLUNTARILY CANCELLED YOUR COVERAGE?

You can apply for coverage only during a **scheduled enrollment period**. Evidence of insurability is required. Unum and your Employer determine when the scheduled enrollment period begins and ends. Your coverage will begin at 12:01 a.m. on the first of the month coincident with or next following the date Unum approves your application.

An evidence of insurability form can be obtained from your Employer.

WHAT IF YOU ARE ABSENT FROM WORK ON THE DATE YOUR COVERAGE WOULD NORMALLY BEGIN?

If you are absent from work due to injury, sickness, temporary layoff or leave of absence, your coverage will begin on the first of the month coincident with or next following the date you return to **active employment**.

ONCE YOUR COVERAGE BEGINS, WHAT HAPPENS IF YOU ARE TEMPORARILY NOT WORKING?

If you are on a temporary **layoff**, and if premium is paid, you will be covered through the end of the month that immediately follows the month in which your temporary layoff begins.

If you are on a **leave of absence**, other than a family and medical leave, and if premium is paid, you will be covered through the end of the month that immediately follows the month in which your leave of absence begins.

WHAT HAPPENS TO YOUR COVERAGE UNDER THE POLICY WHILE YOU ARE ON A FAMILY AND MEDICAL LEAVE OF ABSENCE?

We will continue your coverage in accordance with your Employer's Human Resource policy on family and medical leaves of absence if premium payments continue and your Employer has approved your leave in writing.

Your coverage will be continued until the end of the later of:

1. the leave period required by the federal Family and Medical Leave Act of 1993 and any amendments; or
2. the leave period required by applicable state law.

If your Employer's Human Resource policy doesn't provide for continuation of your coverage during a family and medical leave of absence, your coverage will be reinstated when you return to active employment.

We will not:

- apply a new waiting period;
- apply a new pre-existing condition exclusion; or
- require evidence of insurability.

WHEN WILL CHANGES MADE BY YOUR EMPLOYER TAKE EFFECT?

Once your coverage begins, any change requested by your Employer will take effect on the first of the month coincident with or next following the date the change occurs if you are in active employment.

If you are not in active employment due to injury or sickness, or if you are on a covered layoff or leave of absence, any change requested by your Employer will begin on the first of the month coincident with or next following the date you return to active employment.

Any decrease in coverage will take effect immediately but will not affect a **payable claim** that occurs prior to the effective date of the change.

WHEN DOES YOUR COVERAGE END?

If you choose to cancel your coverage under the policy or a plan, your coverage ends on the first of the month following the date you provide notification to your Employer.

Otherwise, your coverage under the policy or a plan ends on the earliest of the following:

- the date the policy or a plan is cancelled;
- the date you no longer are in an eligible group;
- the date your eligible group is no longer covered;
- the last day of the period for which you made any required contributions; or
- the last day you are in active employment.

However, as long as premium is paid as required, coverage will continue:

- while benefits are being paid;
- while you are fulfilling the requirements of your elimination period; or
- in accordance with the layoff and leave of absence provisions of the policy or plan.

If your coverage ends, Unum will continue to provide coverage for a payable claim which occurs while the policy or plan was in force.

WHAT ARE THE TIME LIMITS FOR LEGAL PROCEEDINGS?

You can start legal action regarding your claim 60 days after proof of claim has been given and up to 3 years from the time proof of claim is required, unless otherwise provided under federal law.

HOW CAN STATEMENTS MADE IN YOUR APPLICATION FOR THIS COVERAGE BE USED?

Unum considers any statements you make in a signed application for coverage or evidence of insurability form, or that your Employer makes in the application process, a representation and not a warranty. If any of the statements you or your Employer make are not complete and/or not true at the time they are made, we can:

- reduce or deny any claim; or
- cancel your coverage from the original effective date.

As a basis for doing this, we will use only statements made by the Employer in the application process or statements made by you in a signed application or evidence of insurability form.

If the Employer gives us information about you that is incorrect, we will:

- use the facts to decide whether you have coverage under the plan and in what amounts; and
- make a fair adjustment of the premium.

HOW MAY UNUM COMMUNICATE WITH YOU OR YOUR EMPLOYER?

Unum may provide notices, information and other communications to you or your Employer in written, electronic or telephonic form.

HOW WILL UNUM HANDLE INSURANCE FRAUD?

Unum wants to ensure you and your Employer do not incur additional insurance costs as a result of the undermining effects of insurance fraud. Unum promises to

focus on all means necessary to support fraud detection, investigation, and prosecution.

It is a crime if you knowingly, and with intent to injure, defraud or deceive Unum, or provide any information, including filing a claim, that contains any false, incomplete or misleading information. These actions, as well as submission of materially false information, will result in denial of your claim, and are subject to prosecution and punishment to the full extent under state and/or federal law. Unum will pursue all appropriate legal remedies in the event of insurance fraud.

DOES THE POLICY REPLACE OR AFFECT ANY WORKERS' COMPENSATION OR STATE DISABILITY INSURANCE?

The policy does not replace or affect the requirements for coverage by any workers' compensation or state disability insurance.

DOES YOUR EMPLOYER ACT AS YOUR AGENT OR UNUM'S AGENT?

For purposes of the policy, your Employer acts on its own behalf or as your agent. Under no circumstances will your Employer be deemed the agent of Unum.

SHORT TERM DISABILITY

BENEFIT INFORMATION

HOW DOES UNUM DEFINE DISABILITY?

You are disabled when Unum determines that:

- you are **limited** from performing the **material and substantial duties** of your **regular occupation** due to your **sickness or injury**; and
- you have a 20% or more loss in weekly earnings due to the same sickness or injury.

If you have a Cesarean section, you will be considered disabled for a minimum period of 8 weeks beginning on the date of your Cesarean section, unless you return to work prior to the end of the 8 weeks.

You must be under the regular care of a physician in order to be considered disabled.

The loss of a professional or occupational license or certification does not, in itself, constitute disability.

HOW LONG MUST YOU BE DISABLED BEFORE YOU ARE ELIGIBLE TO RECEIVE BENEFITS?

You must be continuously disabled through your **elimination period**.

If your disability is the result of an injury that occurs while you are covered under the plan, your elimination period is 7 days.

If your disability is the result of a sickness, your elimination period is 7 days.

CAN YOU SATISFY YOUR ELIMINATION PERIOD IF YOU ARE WORKING?

Yes, provided you meet the definition of disability.

WHEN WILL YOU BEGIN TO RECEIVE PAYMENTS?

You will begin to receive payments when we approve your claim, providing the elimination period has been met and you are disabled. We will send you a payment weekly for any period for which Unum is liable.

HOW MUCH WILL UNUM PAY YOU IF YOU ARE DISABLED?

We will follow this process to figure your payment:

1. Multiply your weekly earnings by 60%.
2. The maximum **weekly benefit** is \$1,500.
3. Compare the answer from Item 1 with the maximum weekly benefit. The lesser of these two amounts is your **gross disability payment**.
4. Subtract from your gross disability payment any **deductible sources of income**.

The amount figured in Item 4 is your **weekly payment**.

Your weekly payment may be reduced based on your disability earnings.

If, at any time after the elimination period, you are disabled for less than 1 week, we will send you 1/7th of your weekly payment for each day of disability.

WHAT ARE YOUR WEEKLY EARNINGS?

"Weekly Earnings" means your average gross weekly income as figured:

- a. from the income box on your W-2 form which reflects wages, tips and other compensation received from your Employer for the calendar year just prior to your date of disability; or
- b. for the period of your employment with your Employer if you did not receive a W-2 form prior to your date of disability.

Average gross weekly income is your total income before taxes. It is prior to any deductions made for pre-tax contributions to a qualified deferred compensation plan, Section 125 plan, or flexible spending account. It does not include income received from car, housing or moving allowances, Employer contributions to a qualified deferred compensation plan, or income received from sources other than your Employer.

WHAT WILL WE USE FOR WEEKLY EARNINGS IF YOU BECOME DISABLED DURING A COVERED LAYOFF OR LEAVE OF ABSENCE?

If you become disabled while you are on a covered layoff or leave of absence, we will use your weekly earnings from your Employer in effect just prior to the date your absence begins.

HOW MUCH WILL UNUM PAY YOU IF YOU ARE DISABLED AND WORKING?

We will send you the weekly payment if you are disabled and your weekly **disability earnings**, if any, are less than 20% of your weekly earnings.

If you are disabled and your weekly disability earnings are from 20% through 80% of your weekly earnings, you will receive payments based on the percentage of income you are losing due to your disability. We will follow this process to figure your payment:

1. Subtract your disability earnings from your weekly earnings.
2. Divide the answer in Item 1 by your weekly earnings. This is your percentage of lost earnings.
3. Multiply your weekly payment as shown above by the answer in Item 2.

This is the amount Unum will pay you for each week.

Unum may require you to send proof of your disability earnings each week. We will adjust your weekly payment based on your disability earnings.

As part of your proof of disability earnings, we can require that you send us appropriate financial records, which may include income tax returns, which we believe are necessary to substantiate your income.

HOW DO WE PROTECT YOU IF YOUR DISABILITY EARNINGS FLUCTUATE?

If your disability earnings have fluctuated from week to week, Unum may determine your benefit eligibility based on the average of your disability earnings over the most recent 3 weeks.

WHAT ARE DEDUCTIBLE SOURCES OF INCOME?

Unum will subtract from your gross disability payment the following deductible sources of income:

1. The amount that you receive or are entitled to receive as disability income or disability retirement payments under any:
 - state compulsory benefit **act** or **law**.
 - other group insurance plans that are provided by or sponsored by your Employer.
 - other group insurance with a different employer as a result of your return to work in rehabilitative employment following a period of disability.
 - **governmental retirement system**.
2. The amount that you receive under Title 46, United States Code Section 688 (The Jones Act).
3. The amount that you receive as retirement payments under any governmental retirement system. Retirement payments do not include payments made at the later of age 62 or normal retirement age under your Employer's retirement plan which are attributable to contributions you made on a post tax basis to the system.

Regardless of how retirement payments are distributed, Unum will consider payments attributable to your post tax contributions to be distributed throughout your lifetime.

Amounts received do not include amounts rolled over or transferred to any eligible retirement plan. Unum will use the definition of eligible retirement plan as defined in Section 402 of the Internal Revenue Code including any future amendments which affect the definition.

4. The amount that you:
 - receive as disability payments under your Employer's **retirement plan**.
 - voluntarily elect to receive as retirement payments under your Employer's retirement plan.
 - receive as retirement payments when you reach the later of age 62 or normal retirement age, as defined in your Employer's retirement plan.

Disability payments under a retirement plan will be those benefits which are paid due to disability and do not reduce the retirement benefit which would have been paid if the disability had not occurred.

Retirement payments will be those benefits which are based on your **Employer's contribution** to the retirement plan. Disability benefits which reduce the

retirement benefit under the plan will also be considered as a retirement benefit.

Regardless of how the retirement funds from the retirement plan are distributed, Unum will consider your and your Employer's contributions to be distributed simultaneously throughout your lifetime.

Amounts received do not include amounts rolled over or transferred to any eligible retirement plan. Unum will use the definition of eligible retirement plan as defined in Section 402 of the Internal Revenue Code including any future amendments which affect the definition.

With the exception of retirement payments, Unum will only subtract deductible sources of income which are payable for the same period of disability for which we are paying benefits.

WHAT ARE NOT DEDUCTIBLE SOURCES OF INCOME?

Unum will not subtract from your gross disability payment income you receive from, but not limited to, the following:

- 401(k) plans
- profit sharing plans
- thrift plans
- tax sheltered annuities
- stock ownership plans
- non-qualified plans of deferred compensation
- pension plans for partners
- military pension and disability income plans
- credit disability insurance
- franchise disability income plans
- a retirement plan from another Employer
- individual retirement accounts (IRA)
- individual disability income plans
- no fault motor vehicle plans
- **salary continuation** or **accumulated sick leave** plans, except disability income payments you receive under a group plan sponsored by your Employer

WHAT IF SUBTRACTING DEDUCTIBLE SOURCES OF INCOME RESULTS IN A ZERO BENEFIT? (Minimum Benefit)

The minimum weekly payment is: \$25.

Unum may apply this amount toward an outstanding overpayment.

WHAT IF UNUM DETERMINES YOU MAY QUALIFY FOR DEDUCTIBLE INCOME BENEFITS?

When we determine that you may qualify for benefits under Item(s) 1 in the deductible sources of income section, we will estimate your entitlement to these benefits and reduce your payment by the estimated amount if you agree to reduce your benefit.

We will also estimate your entitlement to these benefits and reduce your payment by the estimated amount if:

- you do not apply for these benefits within a reasonable period of time;
- you do not file a request for reconsideration of these benefits within a reasonable period of time; or
- you do not request a hearing before an Administrative Law Judge when appropriate even though we have agreed to pay for the costs incurred by you in making an appearance at the hearing and for legal representation that is not paid for or reimbursed by the Social Security Administration.

If your benefits are reduced because you did not take the steps as outlined directly above, Unum will restore estimated benefit reductions when you begin or resume these steps.

If benefits are reduced, then when a final denial of benefits is received, Unum will reimburse all reductions, if any, in a lump sum with interest at the rate the Federal plan pays on amounts it owes.

If you receive a final denial of these benefits, we will refund our estimated reductions to you in a lump sum payment.

If you receive an award for these benefits, you are obligated to repay us at the time these benefits are granted, for any overpayment that we made to you. If you do not repay us, we will apply your weekly payment toward the outstanding overpayment until it is paid in full.

If you receive a lump sum payment from any deductible sources of income, the lump sum will be prorated on a weekly basis over the time period for which the sum was given. If no time period is stated, the sum will be prorated on a weekly basis over the earlier of:

- the end of the maximum period of payment; or
- your expected lifetime.

HOW LONG WILL UNUM CONTINUE TO SEND YOU PAYMENTS?

Unum will send you a payment each week up to the **maximum period of payment**. Your maximum period of payment is 26 weeks during a continuous period of disability.

WHEN WILL PAYMENTS STOP?

We will stop sending you payments and your claim will end on the earliest of the following:

- when you are able to work in your regular occupation on a **part-time basis** and you do not;
- the end of the maximum period of payment;
- the date you are no longer disabled under the terms of the plan, unless you are eligible to receive benefits under Unum's Rehabilitation and Return to Work Assistance program;
- the date you fail to submit proof of continuing disability;
- after 12 months of payments if you are considered to reside outside the United States or Canada. You will be considered to reside outside these countries when

- you have been outside the United States or Canada for a total period of 6 months or more during any 12 consecutive months of benefits;
- the date your disability earnings exceed the amount allowable under the plan;
 - the date you die.

WHAT DISABILITIES ARE NOT COVERED UNDER YOUR PLAN?

Your plan does not cover any disabilities caused by, contributed to by, or resulting from your:

- **occupational sickness or injury**, however, Unum will cover disabilities due to occupational sicknesses or injuries for partners or sole proprietors who cannot be covered by a workers' compensation law.
- intentionally self-inflicted injuries.
- active participation in a riot.
- loss of a professional license, occupational license or certification.
- commission of a felony for which you have been convicted.
- pre-existing condition.

Your plan will not cover a disability due to war, declared or undeclared, or any act of war.

Unum will not pay a benefit for any period of disability during which you are incarcerated.

WHAT IS A PRE-EXISTING CONDITION?

You have a pre-existing condition if:

- you received medical treatment, consultation, care or services including diagnostic measures, or took prescribed drugs or medicines in the 3 months just prior to your effective date of coverage; and
- the disability begins in the first 12 months after your effective date of coverage.

WHEN CAN THE PRE-EXISTING CONDITION EXCLUSION BE WAIVED?

Unum may send a payment if your disability results from a pre-existing condition if:

- immediately preceding the date you became insured under the plan, you were insured under another group short term disability policy issued by Unum; and
- we made a payment to you for the same disabling condition under that group short term disability policy.

WHAT HAPPENS IF YOU RETURN TO WORK FULL TIME AND YOUR DISABILITY OCCURS AGAIN?

1. If your current disability is related to or due to the same cause(s) as your prior disability for which Unum made a payment:

Unum will treat your current disability as part of your prior claim and you will not have to complete another elimination period when you are performing any occupation for your Employer on a full time basis for 14 consecutive days or less.

If you return to work on the 15th day, your current disability will be treated as a new claim. The new claim will be subject to all of the provisions of this plan and you will be required to satisfy a new elimination period.

2. If your current disability is unrelated to your prior disability for which Unum made a payment:

Unum will treat your current disability as part of your prior claim and you will not have to complete another elimination period when you are performing any occupation for your Employer on a full time basis for less than 1 full day.

Your disability, as outlined above, will be subject to the same terms of the plan as your prior claim.

If you do not satisfy Item 1 or 2 above, your disability will be treated as a new claim and will be subject to all of the policy provisions.

SHORT TERM DISABILITY

OTHER BENEFIT FEATURES

WHAT IF YOU ARE NOT IN ACTIVE EMPLOYMENT WHEN YOUR EMPLOYER CHANGES INSURANCE CARRIERS TO UNUM? (Continuity of Coverage)

Unum will provide coverage for you if, as of the effective date of the policy you were covered by the prior policy on the day before the effective date of the policy.

Your coverage is subject to payment of premium and all other terms of the policy. If you are on a layoff or leave of absence on the effective date of the policy we will consider your layoff or leave of absence to have started on that date and your coverage will continue for the period provided in the policy.

If you have not returned to active employment before your disability begins, your payment will be limited to the amount that would have been paid by the prior carrier. Unum will reduce your payment by any amount payable by the prior carrier.

WHAT IF YOU HAVE A DISABILITY DUE TO A PRE-EXISTING CONDITION AFTER YOUR EMPLOYER CHANGES INSURANCE CARRIERS TO UNUM OR AFTER YOU BECOME INSURED UNDER THE UNUM PLAN DUE TO A MERGER, ACQUISITION OR AFFILIATION? (Continuity of Coverage)

Unum may send a payment if your disability results from a pre-existing condition if, you were:

- in active employment and insured under the plan on its effective date; and
- insured by the prior policy at the time of change.

In order to receive a payment you must satisfy the pre-existing condition provision under:

1. the Unum plan; or
2. the prior carrier's plan, if benefits would have been paid had that policy remained in force.

Credit will be given for the satisfaction or partial satisfaction of the pre-existing condition under the prior carrier's plan.

If you do not satisfy Item 1 or 2 above, Unum will not make any payments.

If you satisfy Item 1, we will determine your payments according to the Unum plan provisions.

If you only satisfy Item 2, we will administer your claim according to the Unum plan provisions. However, your payment will be the lesser of:

- a. the weekly benefit that would have been payable under the terms of the prior plan if it had remained in force; or
- b. the weekly payment under the Unum plan.

Your elimination period will be the longer of:

- a. the elimination period under the prior plan if it had remained in force; or
- b. the elimination period under the Unum plan.

The full portion of your elimination period satisfied under your prior plan will be applied towards your elimination period under this Unum plan.

Your benefits will end on the date benefits would have ended under the prior plan if it had remained in force.

HOW CAN UNUM'S REHABILITATION AND RETURN TO WORK ASSISTANCE PROGRAM HELP YOU RETURN TO WORK?

Unum has a vocational Rehabilitation and Return to Work Assistance program available to assist you in returning to work. We will determine whether you are eligible for this program. In order to be eligible for rehabilitation services and benefits, you must be medically able to engage in a return to work program.

Your claim file will be reviewed by one of Unum's rehabilitation professionals to determine if a rehabilitation program might help you return to gainful employment. As your file is reviewed, medical and vocational information will be analyzed to determine an appropriate return to work program.

We will make the final determination of your eligibility for participation in the program.

We will provide you with a written Rehabilitation and Return to Work Assistance plan developed specifically for you.

The rehabilitation program may include, but is not limited to, the following services and benefits:

- coordination with your Employer to assist you to return to work;
- adaptive equipment or job accommodations to allow you to work;
- vocational evaluation to determine how your disability may impact your employment options;
- job placement services;
- resume preparation;
- job seeking skills training; or
- education and retraining expenses for a new occupation.

WHAT ADDITIONAL BENEFITS WILL UNUM PAY WHILE YOU PARTICIPATE IN A REHABILITATION AND RETURN TO WORK ASSISTANCE PROGRAM?

We will pay an additional disability benefit of 10% of your gross disability payment to a maximum benefit of \$250 per week.

This benefit is not subject to policy provisions which would otherwise increase or reduce the benefit amount such as Deductible Sources of Income.

In addition, we will make weekly payments to you for 3 weeks following the date your disability ends if we determine you are no longer disabled while:

- you are participating in the Rehabilitation and Return to Work Assistance program; and

- you are not able to find employment.

This benefit payment may be paid in a lump sum.

WHEN WILL REHABILITATION AND RETURN TO WORK ASSISTANCE BENEFITS END?

Benefits for the Rehabilitation and Return to Work Assistance program will end on the earliest of the following dates:

- the date Unum determines that you are no longer eligible to participate in Unum's Rehabilitation and Return to Work Assistance program; or
- any other date on which weekly payments would stop in accordance with this plan.

EMPLOYER'S RIGHT TO AMEND THE PLAN

The Employer reserves the right, in its sole and absolute discretion, to amend, modify, or terminate, in whole or in part, any or all of the provisions of the Plan (including any related documents and underlying policies), at any time and for any reason or no reason. Any amendment, modification, or termination must be in writing and endorsed on or attached to the Plan.

EMPLOYER'S RIGHT TO REQUEST POLICY CHANGE

The Employer can request a policy change. Only an officer of Unum can approve a change. The change must be in writing and endorsed on or attached to the policy.

MODIFYING OR CANCELLING THE POLICY OR A PLAN UNDER THE POLICY

The policy or a plan under the policy can be cancelled:

- by Unum; or
- by the Employer.

Unum may cancel or modify the policy or a plan if:

- our participation requirements are not met, as applicable;
- the Employer does not promptly provide Unum with information that is reasonably required;
- the Employer fails to perform any of its obligations that relate to the policy;
- the premium is not paid in accordance with the provisions of the policy that specify whether the Employer, the employee, or both, pay(s) the premiums;
- the Employer does not promptly report to Unum the names of any employees who are added or deleted from the eligible group;
- Unum determines that there is a significant change, in the size, occupation or age of the eligible group as a result of a corporate transaction such as a merger, divestiture, acquisition, sale or reorganization of the Employer and/or its employees; or
- a change in federal or state law or regulation substantially impacts the policy or the risks insured.

If Unum cancels or modifies the policy or a plan, for any of the reasons listed above, a written notice will be delivered to the Employer at least 31 days prior to the cancellation date or modification date. The Employer may cancel the policy or a plan if the modifications are unacceptable.

If any premium is not paid during the 31 day grace period, the policy or plan will terminate automatically at the end of the grace period. The Employer is liable for premium for coverage during the grace period. The Employer must pay Unum for premium due for the full period the policy is in force. In the event of termination, the policy or plan may be reinstated only as agreed upon by Unum and the Employer. If Unum agrees to reinstate the policy or plan, such reinstatement will not constitute waiver of the termination provision in the future.

The Employer may cancel the policy or a plan by written notice delivered to Unum at least 31 days prior to the cancellation date. When both the Employer and Unum agree, the policy or a plan can be cancelled on an earlier date. If Unum or the Employer cancels the policy or a plan, coverage will end at 12:00 midnight on the last day of coverage.

If the policy or a plan is cancelled, the cancellation will not affect a payable claim.

HOW TO FILE A CLAIM

If you wish to file a claim for benefits, you should follow the claim procedures described in your insurance certificate. To complete your claim filing, Unum must receive the claim information it requests from you (or your authorized representative), your attending physician and your Employer. If you or your authorized representative has any questions about what to do, you or your authorized representative should contact Unum directly.

CLAIMS PROCEDURES

Unum will give you notice of the decision no later than 45 days after the claim is filed. This time period may be extended twice by 30 days if Unum both determines that such an extension is necessary due to matters beyond the control of the Plan and notifies you of the circumstances requiring the extension of time and the date by which Unum expects to render a decision. If such an extension is necessary due to your failure to submit the information necessary to decide the claim, the notice of extension will specifically describe the required information, and you will be afforded at least 45 days within which to provide the specified information. If you deliver the requested information within the time specified, any 30 day extension period will begin after you have provided that information. If you fail to deliver the requested information within the time specified, Unum may decide your claim without that information.

If your claim for benefits is wholly or partially denied, the notice of adverse benefit determination under the Plan will:

- state the specific reason(s) for the determination;
- reference specific Plan provision(s) on which the determination is based;
- describe additional material or information necessary to complete the claim and why such information is necessary;
- describe Plan procedures and time limits for appealing the determination, and your right to obtain information about those procedures and the right to bring a lawsuit under Section 502(a) of ERISA following an adverse determination from Unum on appeal; and

- disclose any internal rule, guidelines, protocol or similar criterion relied on in making the adverse determination (or state that such information will be provided free of charge upon request).

Notice of the determination may be provided in written or electronic form. Electronic notices will be provided in a form that complies with any applicable legal requirements.

APPEAL PROCEDURES

You have 180 days from the receipt of notice of an adverse benefit determination to file an appeal. Requests for appeals should be sent to the address specified in the claim denial. A decision on review will be made not later than 45 days following receipt of the written request for review. If Unum determines that special circumstances require an extension of time for a decision on review, the review period may be extended by an additional 45 days (90 days in total). Unum will notify you in writing if an additional 45 day extension is needed.

If an extension is necessary due to your failure to submit the information necessary to decide the appeal, the notice of extension will specifically describe the required information, and you will be afforded at least 45 days to provide the specified information. If you deliver the requested information within the time specified, the 45 day extension of the appeal period will begin after you have provided that information. If you fail to deliver the requested information within the time specified, Unum may decide your appeal without that information.

You will have the opportunity to submit written comments, documents, or other information in support of your appeal. You will have access to all relevant documents as defined by applicable U.S. Department of Labor regulations. The review of the adverse benefit determination will take into account all new information, whether or not presented or available at the initial determination. No deference will be afforded to the initial determination.

The review will be conducted by Unum and will be made by a person different from the person who made the initial determination and such person will not be the original decision maker's subordinate. In the case of a claim denied on the grounds of a medical judgment, Unum will consult with a health professional with appropriate training and experience. The health care professional who is consulted on appeal will not be the individual who was consulted during the initial determination or a subordinate. If the advice of a medical or vocational expert was obtained by the Plan in connection with the denial of your claim, Unum will provide you with the names of each such expert, regardless of whether the advice was relied upon.

A notice that your request on appeal is denied will contain the following information:

- the specific reason(s) for the determination;
- a reference to the specific Plan provision(s) on which the determination is based;
- a statement disclosing any internal rule, guidelines, protocol or similar criterion relied on in making the adverse determination (or a statement that such information will be provided free of charge upon request);

- a statement describing your right to bring a lawsuit under Section 502(a) of ERISA if you disagree with the decision;
- the statement that you are entitled to receive upon request, and without charge, reasonable access to or copies of all documents, records or other information relevant to the determination; and
- the statement that "You or your Plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact your local U.S. Department of Labor Office and your State insurance regulatory agency".

Notice of the determination may be provided in written or electronic form. Electronic notices will be provided in a form that complies with any applicable legal requirements.

Unless there are special circumstances, this administrative appeal process must be completed before you begin any legal action regarding your claim.

YOUR RIGHTS UNDER ERISA

As a participant in the Plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all Plan participants shall be entitled to:

Receive Information About Your Plan and Benefits

Examine, without charge, at the Plan Administrator's office and at other specified locations, all documents governing the Plan, including insurance contracts, and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.

Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts, and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The Plan Administrator may make a reasonable charge for the copies.

Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for Plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other Plan participants and beneficiaries. No one, including your Employer or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a benefit or exercising your rights under ERISA.

Enforce Your Rights

If your claim for a benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of Plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Plan Administrator.

If you have a claim for benefits that is denied or ignored, in whole or in part, you may file suit in a state or federal court. If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, if, for example, it finds your claim is frivolous.

Assistance with Your Questions

If you have any questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

OTHER RIGHTS

Unum, for itself and as claims fiduciary for the Plan, is entitled to legal and equitable relief to enforce its right to recover any benefit overpayments caused by your receipt of disability earnings or deductible sources of income from a third party. This right of recovery is enforceable even if the amount you receive from the third party is less than the actual loss suffered by you but will not exceed the benefits paid you under the policy. Unum and the Plan have an equitable lien over such sources of income until any benefit overpayments have been recovered in full.

**Addendum to the "Additional Summary Plan Description Information"
included with your certificate of coverage or policy
and effective for claims filed on or after April 1, 2018.**

The regulations governing ERISA disability claims and appeals have been amended. The amended regulations apply to disability claims filed on or after April 1, 2018. To the extent the Additional Summary Plan Description Information included with your certificate of coverage or policy conflicts with these new requirements, these new rights and procedures will apply.

These new rights and procedures include:

Any cancellation or discontinuance of your disability coverage that has a retroactive effect will be treated as an adverse benefit determination, except in the case of failure to timely pay required premiums or contributions toward the cost of coverage.

If you live in a county with a significant population of non-English speaking persons, the plan will provide, in the non-English language(s), a statement of how to access oral and written language services in those languages.

For any adverse benefit determination, you will be provided with an explanation of the basis for disagreeing or not following the views of: (1) health care professionals who have treated you or vocational professionals who have evaluated you; (2) the advice of medical or vocational professionals obtained on behalf of the plan; and (3) any disability determination made by the Social Security Administration regarding you and presented to the plan by you.

For any adverse benefit determination, you will be given either the specific internal rules, guidelines, protocols, standards or other similar criteria of the plan relied upon in making that decision, or a statement that such rules, etc. do not exist.

Prior to a final decision being made on an appeal, you will have the opportunity to review and respond to any new or additional rationale or evidence considered, relied upon, or generated by the plan in connection with your claim.

If an adverse benefit determination is upheld on appeal, you will be given notice of any applicable contractual limitations period that applies to your right to bring legal proceedings and the calendar date on which that period expires.

Should the plan fail to establish or follow ERISA required disability claims procedures, you may be entitled to pursue legal remedies under section 502(a) of the Act without exhausting your administrative remedies, as more completely set forth in section 503-1(l).

**NOTICE
NEW JERSEY LIFE AND HEALTH INSURANCE
GUARANTY ASSOCIATION ACT**

Residents of New Jersey who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the New Jersey Life and Health Insurance Guaranty Association.

The purpose of this association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guaranty Association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force.

The valuable extra protection provided by these insurers through the Guaranty Association is not unlimited, however. And, as noted below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

The New Jersey Life and Health Insurance Guaranty Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in New Jersey. You should not rely on coverage by the New Jersey Life and Health Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy.

Coverage is NOT provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus.

Insurance companies or their agents are required by law to give or send you this notice. However, insurance companies and their agents are prohibited by law from using the existence of the guaranty association to induce you to purchase any kind of insurance policy.

The state law that provides for this safety-net coverage is called the New Jersey Life and Health Guaranty Association Act, N.J.S.A.17B:32A-1, et seq. (the "Act").

COVERAGE

The following is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the guaranty association.

Generally, individuals will be protected by the Life and Health Insurance Guaranty Association if they live in New Jersey and hold a life, health or long-term care insurance contract, annuity contract, or if they are insured under a group insurance contract, issued by a member insurer.

The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

However, persons holding such policies are not protected by this Association if:

- they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- the insurer was not authorized to do business in this state;
- the policy is issued by an organization which is not a member of the New Jersey Life and Health Insurance Guaranty Association;

The association also does not provide coverage for:

- any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- any policy of reinsurance (unless an assumption certificate was issued);
- interest rate yields that exceed an average rate as more fully described in Section 3 of the Act;
- dividends;
- credits given in connection with the administration of a policy by a group contractholder;
- employers' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them).

LIMITS ON AMOUNT OF COVERAGE

The act also limits the amount the Association is obligated to pay out. The Association cannot pay more than what the insurance company would owe under a policy or contract.

With respect to any one insured individual, regardless of the number of policies or contracts, the Association will pay not more than \$500,000 in life insurance death benefits and present value annuity benefits, including net cash surrender and net cash withdrawal values. Within this overall limit, the Association will not pay more than \$100,000 in cash surrender values for life insurance, \$100,000 in cash surrender values for annuity benefits, \$500,000 in life insurance death benefits, or \$500,000 in present value of annuities--again no matter how many policies and contracts that were with the same company, and no matter how many different types of coverages.

The Association will not pay more than \$2,000,000 in benefits to any one contractholder under any one unallocated annuity contract.

There are no limits on the benefits the Association will pay with respect to any one group, blanket or individual accident and health insurance policy.
